

SWEETWATER DEPOT MEMORIAL BRICK PROGRAM

BRICK ORDER FORM

The City of Sweetwater, funded in part through a TDOT Enhancement Grant, will be erecting a depot replica on Hunt Commons to house a visitor’s center, museum, and public facilities.

In order to help offset the cost of the matching funds, we are implementing a memorial brick fundraising program. Each donor brick may be engraved in honor of or in memory of whomever the donor chooses. The city reserves the right to reject any wording deemed inflammatory or inappropriate.

After engraving, the bricks will be set in or around the depot area.

Each brick measures 4” x 8” - \$100- Up to 3 lines of engraving of up to 18 characters per line
